Donation Request Form

Celebration Restaurant Group can only approve donations for schools or organizations within the Central Florida Community. Requests should be submitted at least 2-4 weeks in advance of an event to allow time to review. Due to the large number of requests, we are unable to guarantee an approval for all donation requests. We do not authorize monetary donations. Please include event information & description, tax exempt forms and any other information to help verify your event & organization.

Please complete this form and email it to Victoria Reyes at, vreyes@celebrationrg.com or fax to 321-939-2923.
